K-9 Officer Remy retires

(Bremerton, WA) --- The Bremerton Police Department has announced the retirement of K-9 Remy after two years of distinguished service. During her time in service she and her handler, Officer Ryan Avery deployed 770 times leading to or assisting in 430 arrests, and 251 search warrants. Their work resulted in seizures of more than \$575,000 in cash, 66 guns, and the detection of over 63 pounds of meth, 48 ounces of heroin, and 7.9 ounces of cocaine.

K9 Remy will continue to live with Ofc. Avery and his wife, and their other dog Duke. Remy will be greatly missed as she was one of the team. She moonlighted as a “therapy” dog for the department making officers and staff at ease by her sweet presence. She would befriend all in the department and was not shy about suggesting they share their lunch with her. Officer Avery will take on new duties in the patrol division in the immediate future and his dedication and professional approach to this assignment will serve the community well in future endeavors in a new capacity.
